

AGENDA

ETF FORUM FOR QUALITY ASSURANCE IN VET: ANNUAL MEETING

30-31 January 2024, Turin, Italy

Background

The European Training Foundation (ETF) Forum for Quality Assurance (QA) in Vocational Education and Training (VET) is a translational network of national quality assurance institutions set up in 2017. Countries from three regions are part of the Forum: Southern and Eastern Mediterranean, Eastern Partnership, Western Balkans & Türkiye. The objective of the Forum is to support the improvement of national quality assurance in VET through peer learning, transnational cooperation and finding solutions to common challenges.

The Annual meeting in the headquarters of the ETF in Turin will gather National Contact Persons and Alternate National Contact Persons of the Forum:

- To exchange on the latest/ongoing national developments in the domain of QA in VET in the Forum member countries, best practices and challenges,
- Discuss, jointly finetune and agree on activities in 2024,
- Learn and reflect about several projects and initiatives in QA in VET in the EU/EQAVET and in the ETF partner countries, including a local site visit.
